

Corporate Philosophy

Contributing to humanity and society
as a corporate group
that creates new value
through the power of chemistry,
“from the biosphere to outer space”

In April 2023, the NOF Group shifted to have a new Corporate Philosophy and Guiding Framework.

Under the business slogan "From the Biosphere to Outer Space," we will seek to contribute to the development of humanity and society as a chemical company. While continuing our basic policy, we will strengthen our unity for the future and aim to improve our business performance. Our basic policy is to live in harmony with society by paying close attention to environmental protection and safety.

We have conducted restructuring to create a new Corporate Philosophy and Guiding Framework, centered on our Corporate Philosophy that defines the mission and vision that form the basis of the NOF Group's business activities, our Values that are to be prioritized when putting the Corporate Philosophy into practice, and our Code of Conduct that defines the mindset for concrete actions in business operations. Under these are our Principles, Commitments, and Policies, and the Code of Ethical Conduct is positioned as the foundation for the entire Corporate Philosophy and Guiding Framework.
