## NOF to Exhibits at ISSCR 2024 Annual Meeting and Exposition from 10 – 12 July

NOF CORPORATION is pleased to announce its participation in the upcoming **The International Society for Stem Cell Research 2024 ANNUAL MEETING** (ISSCR 2024) to be held at Congress Center Hamburg, Hamburg, Germany from **July 10th to 12th 2024**.

Conference Website: <https://www.isscr2024.org/>

**Booth** number: **1209**

In the event, we will showcase its latest technologies and products for Regenerative field, which include:

- **Cryopreservation (CP) solution** composed of original polymers which can cryopreserve 2-dimensional (2D) cell culture on plates
- **Releasing reagent for cell separation**, which can separate cells from magnetic beads utilizing temperature-dependent polymer with less damage to cells

If you are interested in our technology, please contact our office below to learn more and to arrange a meeting.
