### Promote CSR-based procurement

The importance of CSR initiatives in the international community is becoming increasingly diverse and sophisticated, and their scope is expanding beyond the company's own efforts to include the entire supply chain.

To address these issues and ensure stable and sustainable procurement, NOF has established the CSR Procurement Policy. Furthermore, we have

compiled the CSR Procurement Guidelines that we implement and request our business partners to implement. We request that our business partners understand the purpose of this policy and guidelines, and work together with NOF to implement initiatives in accordance with these guidelines.

### CSR Procurement Policy

In the procurement of its raw materials, NOF will

fulfil its social responsibility by viewing the entire supply chain in order to respect human rights, comply with laws and regulations, and give due consideration to labor conditions, the environment, and safety. In order to realize its corporate philosophy, NOF is committed to deal sincerely with its suppliers based on the concept that all of them are important partners.
